

IDLEWILD CHURCH STARTS CAMPAIGN FOR NEW EDIFICE

Sixty Workers of Presbyterian Congregation Expect to Complete Canvass for \$200,000 by Saturday.

The congregation of the Idlewild Presbyterian church met Monday night and perfected an organization to raise \$200,000 with which to erect a new church building on the site now occupied by the present church, McLean and Union avenue, where the church owns a lot 112 by 290 feet. Officers of the church have subscribed \$50,000 toward the fund, leaving \$150,000 yet to be raised.

Sixty of the leading members of the church will wage the canvass. Two divisions were formed, one under the leadership of Warren Newsom and the other directed by Mrs. A. L. Fritchard. Each division is made up of ten teams of three workers each. Two men and one woman will serve on each team.

The canvass was to start Tuesday, and it is hoped to reach every member of the church by Saturday night, and bring the drive to a successful close in a great meeting Sunday.

Idlewild church is one of the strong Presbyterian congregations of the city. At present it is without a pastor, the Rev. William Crowe, D.D., who served the church nearly ten years, having been called last summer to Westminster church, St. Louis.

Building plans have not yet been decided upon. The present structure may be entirely torn down, but there is some talk of converting a part of the building into Sunday school rooms in the new church.

Dr. Claxton To Address Alumni
Dr. P. P. Claxton, United States commissioner of education, will address the alumni of the University of Tennessee at the Chamber of Commerce here, on the night of Dec. 11, according to plans now under consideration by a special committee appointed recently by Dr. H. A. Morgan, president of the institution.

Dr. Claxton will be in Memphis on that date, attending the educational conference. He is an alumnus of the University of Tennessee, and he, along with several other prominent speakers, including Dean Malcolm McDermott, of the law department, will discuss the future of that institution.

The opportunities before the alumni of the institution have increased greatly with the prospects of a college for Memphis, states Dr. Morgan, who is of the opinion that the medical, dental and pharmaceutical departments of the state institution would be greatly benefited by the proposed college.

The committee appointed by President Morgan consists of the following: Cleveland Johnson, chairman; Dr. E. U. Schaff, Dr. R. S. Vinsant, Walter Chandler, W. L. Terry, Thomas H. Allen, R. B. Snowden, C. C. Reams, L. W. Lang and H. M. Heiskell.

Says Deputy Took Wrong Automobile

As the result of an attachment suit filed in 1919, in which it is alleged that a deputy sheriff seized an automobile belonging to Mrs. Claudia F. Banks when the suit was against another automobile, Mrs. Banks, through her attorney, D. B. Sweeney, Monday filed suit against Mrs. J. W. Chambers and Sheriff Perry for \$1,732.

Mrs. Banks charges that despite her protests that the car seized by the officer was her own and not one

belonging to R. A. Calhoun, she was forced to enter a replevin suit deprived of the use of her car and to get her car.

MRS. NANCY SHARP, of Los Angeles, who says she received one of the greatest surprises of her life when Tanlac completely restored her health after she had almost lost hope of ever getting well. Declares she suffered for twelve long years.

Joe Maury Lives in Memphis —Also Was Born in Memphis;

Has got a coffee business in Memphis. And the name of his Coffee is Canova, which is roasted fresh daily in Memphis, and it is of such a blend as will please the most particular taste.

This Coffee has strength and the right color.

In fact it is just as high grade a Coffee as any other brand in a PIGGLY WIGGLY store.

These references to Joe Maury and his Canova Coffee are for the purpose of saying something else that is worth while considering during these times of lower prices on some articles and of higher prices on others that ought to be lower.

Everybody in the Coffee business has made some decline in their price, but Joe Maury happens to be the only man in these parts that has made a full decline, and that is the reason that Canova Coffee is listed below at a price of 35c per lb., whereas other brands of Coffee are listed at 5c and 6c higher, and yet each of these Coffees are practically the same value.

PIGGLY WIGGLY therefore recommends to the Memphis public that they take notice of such a difference in prices and that they show their appreciation by purchasing Canova Coffee at the price of 35c per lb., rather than paying a higher price for other brands of Coffee that should have declined in price just as much as Canova, but which have not.

Certainly in these times the man who is willing to take his medicine when the market declines should have a larger trade than the man who does not, and in the case of Joe Maury he has taken his medicine by putting the price down.

Now, will the Memphis public back up what they so many times preach regarding what other folks ought to do about prices?

PIGGLY WIGGLY will refund the purchase price of Canova Coffee to anyone who after making a purchase wishes to have a return of their money on account of dissatisfaction.
